

Now being offered at Windmill Marina

Imagine being connected to the Internet at blazing broadband speeds while enjoying your recreational time or while you travel with your Laptop or PDA.... on your boat, at the marina, at the airport boarding gate, hotel, coffee shop, or other global Hot Spot location!

All you need is an adequately powered WiFi 802.11(b) wireless "modem" for your laptop or PDA and a valid credit card, and in a few minutes you'll be surfing your way to the Internet at speeds up to 50 times faster than dial-up! Staying in touch with your friends, family or office is as easy as opening your browser!

If you already have a built-in wireless interface or a wireless PCMCIA card, connect to the *stcroixnet.com* broadcast SSID. Once connected, simply start your web browser. You will be redirected to our signup page, and with a valid credit card, you'll be surfing in a matter of minutes.
