

SAFETY NOTICE

Windmill Marina remains open, however due to the high risk of COVID-19, we ask that you conduct business with our staff via email or phone. We are CLOSED for in-person business.

We're just as excited for the upcoming boating season as you are, but we need to be healthy to run the marina, and you need to be healthy to go boating!

Please be respectful of other customers and our employees by practicing social distancing and using good health practices.

Windmill Marina is aggressively cleaning and sanitizing in response to the hazards of COVID-19.
